Concierge Support

Patients can book a free 15-minute call with a member of our team before, during, or after their protocol to ask questions, talk through their experience, and plan next steps with confidence. No cost, no referral needed.

Downloadable Guides

Free PDFs for every stage: Patient Instructions & Tips for day-to-day guidance, the Elemental Diet Guide for how the diet works, and the Return-to-Foods (LFE) Transition Plan for reintroducing food after the protocol.

We're a message away

Our customer care team is reachable by email as well as text on WhatsApp throughout the entire protocol. Whether a patient has a quick question about mixing their shake or needs reassurance mid-week, we're a message away.
